

Fact Sheet

Our Mission:

To enhance the quality of life and meet the changing physical, emotional and spiritual needs of our community members and their families through all seasons of life. We do this by providing a full array of expert care, services, amenities, activities and friendship - in a variety of Christian settings - with compassion, devotion and guidance from God.

Vision Statement:

*To be a **daily blessing** to all we encounter.*

Rowntree Gardens is one of Orange County's only licensed, not-for-profit Continuing Care Retirement Communities (CCRC). The faith-based organization provides a full range of integrated, onsite services to meet the changing needs of community members as they age. Rowntree Gardens believes in engaging and nurturing community members' minds, bodies and spirits. "U.S. News & World Report [BEST Nursing Homes 2016 /2017](#)" gave Rowntree Gardens its highest rating of five stars (based on Medicare data).

To help ensure it was prepared for the next 50 years of service, the organization (formerly Quaker Gardens Senior Living) in 2013-14 conducted a comprehensive review of its business and identity, and embarked on a total rebranding and name change to Rowntree Gardens; a multi-million dollar infrastructure / renovation plan; staff additions; creation of new community member programming and services; development of new strategic marketing and communications initiatives; and much more.

Key Differentiator/ Strength

Offering an exceptional, valued-driven and devoted staff that provides community members with compassionate, highly personal care and treats them like family.

Unique Facts

- The average employee tenure is 13 years, with some having served nearly 40 years.
- Rowntree Gardens is the largest employer in the city of Stanton, California.
- Rowntree Gardens offers lifetime-guaranteed accommodations via its Life Care plan.
- As a not-for-profit, the organization is driven by its mission to serve, instead of profits or shareholders.
