****Rowntree Gardens Celebrates 15 Inspiring Centenarians in a Special Tribute Event****

[Stanton, CA] — October 11, 2024 — Rowntree Gardens is thrilled to announce a remarkable event dedicated to honoring 15 extraordinary individuals who have reached the remarkable milestone of 100 years or more. The “Centenarian Celebration” will be held on October 11, 2024 at Rowntree Gardens, Senior Living, where we will come together to celebrate their incredible lives, achievements, and contributions to our community.

This heartwarming event is a tribute to our centenarians' resilience, wisdom, and enduring spirit, who represent a living link to a century of history and experience. Each centenarian has lived through monumental changes and challenges, and their stories of perseverance and triumph are a testament to their remarkable character and strength.

The celebration will feature:

- A Special Ceremony: Each centenarian will be honored with a personalized award recognizing their milestone and contributions to society.
- Tribute Speeches: Family members, friends, and notable community leaders will share heartfelt stories and reflections on the lives of these incredible individuals.

Gina Climer, Community Activities Director of Rowntree Gardens, said, “We are profoundly honored to celebrate these 15 centenarians who have witnessed and shaped a century of history. Their lives are a powerful reminder of the strength and beauty of the human spirit, and this event is our way of expressing our deepest gratitude and admiration for their contributions.”

The event is open to the public, and we invite community members to join us in celebrating these remarkable individuals. For more information on the Centenarian Celebration, including event details, contact Diana Collins at 714-971-6849
