INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of California Friends Homes, dba Rowntree Gardens

We have audited the accompanying reserve schedules of California Friends Homes, dba Rowntree Gardens (the Corporation), which comprise the continuing care liquid reserve schedules, Forms 5-1 through 5-5 ("Reports") and related notes, as of and for the year then ended December 31, 2017.

Management's Responsibility for the Continuing Care Reserve Schedules

Management is responsible for the preparation and fair presentation of these schedules in accordance with the liquid reserve requirements of California Health and Safety Code section 1792. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these schedules based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about the whether the schedules are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedules. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedules.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the schedules referred to above present fairly, in all material respects, the continuing care liquid reserves of the Corporation as of and for the year then ended December 31, 2017, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

Basis of Accounting

We draw attention to the basis of accounting used to prepare the schedules. The schedules are prepared by the Corporation on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the schedules, as a whole. The accompanying supplementary schedule; Part of Form 5-4, Non-Contract Resident Revenue and Interest Expense Reconciliation is presented for the purpose of additional analysis and is not a required part of the basic schedules. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the schedules. The information has been subjected to the auditing procedures applied in the audit of the schedules, and certain additional procedures, including comparing and reconciling such information directly to the underlying account and other records used to prepare the schedules, or to the schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the schedules, taken as a whole.

Restriction on Use

Our report is intended solely for the information and use of the members of the Board of Directors, Management of the Corporation, and the California Department of Social Services and is not intended to be, and should not be, used by anyone other than these specified parties.
